Subject - Opening of Fair Price Depots in
the Corporation Area

I write to state that the Government is aware of the soaring prices of Food grains particularly rice. There is a hue and cry among the public, that the price of the rice is going up day by day and the main reason for the same is the failure of South-West Monsoon rains in our State. Just when circumstances were such, Shri M V Krishnappa, Deputy Minister of Food Supplies, - arrived at Bangalore on the 8th of this month and he was pleased to interview the Mayor and the Commissioner to discuss about the food situation of Bangalore. When he was informed of the acute position of rice, he was - pleased to suggest that the Corporation may take up the supply of rice by opening Fair Price Depots in the 50 Divisions of the Corporation and that he would make arrangements to supply adequate quantity of food grains from the stock held by the Government of India in the godown situated next to Bangalore Binny Mills. Accordingly, the Worshipful Mayor placed the matter with a note from the Commissioner (copy enclosed) as to the requirements of 50 Depots, etc. The Corporation in their Urgent - Meeting held on 12th September 1956 at 4 P M, considered the matter in detail and passed the following resolution -

resolution -

- "Resolved - (1) that Fair Price Depots be opened in all the 50 Divisions for selling rice, wheat etc
- (2) That the Commissioner be empowered to select suitable places in each Division for the depots in consultation with the Divisional Councillors
- (3) That the Commissioner be authorised to appoint the necessary establishment for each depot as per the note for a period of six months, and the proposition statement in this behalf be approved. The establishment may be treated as temporary
- (4) That two Audit Clerks as per proposition statement enclosed herewith may be appointed temporarily for a period of six months for auditing the day to day accounts of the transactions
- (5) That an advance of Rupees one lakh may be drawn in the first instance from the available Budget provision under "M. Other Advances" of Rs 2,56,000/- and the balance may also be drawn subsequently if found necessary, and the Commissioner be authorised to open a separate account in the Bank of Mysore with this amount and operate on the said account to meet all expenses including establishment and contingency etc, relating to these depots and to credit all receipts to this account
- (6) That Government be requested to advance a sum of Rs.2 lakhs for meeting the increased demand for opening depots in all the Divisions to supplement Corporation funds which is quite inadequate for the transactions.
- (7) That the Auditor may be requested to admit the Advance Bill in this behalf pending sanction of the Government to the Scheme.
- (8) That all other proposals of the Commissioner as per note dated 11th September 1956, be approved "

"Resolved further that the Deputy Minister for Food, Union Government, be requested to inaugurate the Scheme at the Corporation Offices and visit the other depots opened on that day "

It is proposed to open 6 Depots on the 17th September 1956 with the available funds of a lakh of rupees provided in the current year's budget under "M. Other Advances" and these Depots will be inaugurated by Shri M V Krishnappa, the Deputy Minister, Food Supplies, Government of India. In view of the urgency of the matter, I have requested the Auditor to admit the advance bill of a lakh of rupees which will be kept under a separate account called "Corporation Grain Depot Account" with the Bank of Mysore Ltd and the same will be

will be operated by the Commissioner for this purpose only
as resolved by the Corporation

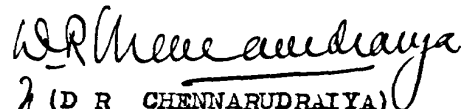

An advance of Rs 2 lakhs may also be placed at the
disposal of the Corporation to enable the Corporation to open
Fair Price Depots in all the other Divisions, as resolved by
the Corporation The advance will be returned immediately
after the closure of the Depots

Copies of the Proposition Statements sanctioning the
Staff necessary for running the Depots and the auditing of
accounts are herein enclosed for kind perusal and sanction

In view of the above circumstances and in view of
the fact that the price of Rice, the staple food of the -
Citizens of Bangalore, is going up day by day, the matter may
be treated as urgent and orders of Government communicated
early in the interest of the Citizens of Bangalore City

CORPORATION OF THE CITY OF BANGALORE

Office of the Commissioner
Corporation of Bangalore
Dated 11th September, 1956

NOTE TO THE CORPORATION

Subject Opening of Fair Price Depots in the
 Corporation Area

The Deputy Minister, Food Supplies, Sri M V Krishnappa was pleased to suggest on the 7th instant that Corporation may take up the supply of food grains through fair price depots in the several divisions of the Corporation and arrangements would be made to supply adequate quantities of foodgrains from the stocks held by India Government in Bangalore in the Godowns situated next to Bangalore Binny Mills. Accordingly the Worshipful Mayor has suggested that the Corporation may open 50 Fair Price Rice Depots in the 50 divisions of the Corporation area to enable the poor and the middle class people to get rice and wheat at a reasonable rate. The Worshipful Mayor has also suggested that as an immediate measure, 6 Depots may be opened in the following places

CIVIL AREA

- 1 Octroi Office Buildings
- 2 Johnson Market

CITY AREA

- 3 Corporation Office
- 4 City Octroi Office
- 5 Srirampuram
- 6 Palace Guttahally

The requirements of each of the 6 Depots are as follows:-

(1) That each Depot may be supplied with one lorry load of rice containing 200 maunds. At this rate, the total requirement for the depots will be 150 bags per day or 3,750 bags per mensem for 25 working days. The profit expected on this account is about Rs.7,500/- calculated at R 2/- per bag or 100 seers.

(2) ESTABLISHMENT

It was considered that the following establishment is necessary to run one Depot

(11)

- 2 -

	<u>Pay</u>	<u>D A</u>	<u>Total P M</u>
One Manager	50/-	23/-	73/-
One Bill Clerk	40/-	23/-	63/-

	Total	Rs.	340/-

(3) AMOUNT REQUIRED FOR THE TRANSACTION

Immediately, a sum of Rs. 1 lakhs is required for this transaction. We have provided a sum of Rs.2,56,000 as "M Other Advances in the current year's budget. This sum of Rs. 1 lakhs may be drawn as advance by the Commissioner and a separate account opened in the Bank of Mysore by the Commissioner for operating the work in depot transactions. All the expenses including the establishment and other charges may be met out of this amount. This will be a very convenient arrangement, as we can know, the exact profit or loss from this transaction, then and there. It is not desirable to mix up the realisation either on account of the capital or profits with the general revenue. Besides, at every time we draw the advance, we have to undergo the process of preparing the bill and getting it audited etc, which will take much of the time and we will not be able to quickly draw the rice from the Godowns. It is therefore necessary to have separate accounts as suggested above.

It is also necessary that these accounts should be audited then and there. For this purpose, a staff consisting of two Accountants of the Audit Department is necessary.

In view of the increasing demand anticipated for extending the Depots to the 50 Divisions, the amount of One lakh is not sufficient for the purpose. The Government may therefore be requested to sanction a loan of Rs.2 lakhs to meet the increased demand when more and more depots are opened.

(12)

The Corporation is therefore requested for according sanction for the following -

- (1) To sanction for 50 Fair Price Depots in 50 Divisions of the Corporation to sell rice and wheat at a reasonable rate to the poor and middle class and to open 5 Depots on 17-9-1956 and the remaining as and when necessity arises
- (2) (a) To sanction the establishment required for the 50 Depots, as per details noted in the proposition statement for a period of one year
(b) To sanction, two Audit Clerks for auditing the day to day accounts of the transaction as per the proposition statement in this behalf
- (3) To draw an advance of Rs 1 lakhs from the Budget provision under the head M Other Advances of Rs.2,56,000/- and to open a separate account in the Bank of Mysore with this amount in the name of the Commissioner, Corporation of the City of Bangalore and to meet all expenses relating to these depots from this account
- (4) To request Government to sanction a loan of Rs. 2 lakhs for meeting the increased demand, when more and more depots are opened for the purchase of rice etc
- (5) (a) To request the Auditor, Corporation of Bangalore, to admit the advance bill for One lakh of Rupees pending sanction of this Scheme by the Government and the Corporation
(b) To authorise the Commissioner to open a separate account in the Bank of Mysore and operate the money out of this fund on this account
- (6) To inaugurate the opening ceremony of the Fair Price Rice Depot at the Civil Area Octroi Office Buildings on 17-6-1956 by Sri M V Krishnappa, Deputy Minister of Food Supplies

The matter is placed before the Corporation for consideration and approval in the urgent meeting to be held on 12-9-1956
